eter it were to sit shift by the aca, reing sometody, and satisfied; ster it were to grow babes on the knee, unchor you slown for all your days, are wander and wander in all these ways; and longotten and love denies.

heiter att still where born. I usv.

Wed one sweet woman and love her well,
Lauch with your neighbors, itse in their wa,
Be it ever so simple. The humbler the home
The nobler, indeed, to bear your hears,
Lave and be loved with all your hears,
Lave and be loved with all your hears,
Lave your delights and divide your tears,
Leve and be loved in the old east way,
Fre man knew madness and entire to room.
Frain the west to the east and the whole wert
wide;

When they lived where their authers lived and Lived and so loved for a thousand years.

they call I will answer,'

Hetter it were for the world, I say—
Better, Indeed, for a man's own gord—
That he should sit down where he was form.
Fe it land of sands or offer eorn.
Yattey of peoples or bleak northland,
White was bouler or great line's wood,
Or bleak, white winter or bland, weet May,
Or city of smoke or plain of the sun,
Than wanter the world as I have done,
Reaking the heart into bits of clay,
And Jenving it scattered on every hand.

of work, not by any means a woman of sick neighbor; and as she returned home, "faculty." Only a scussifive, loving stopping her husband, who was going creature, craving nothing in the wide out of the house, said, earnestly: world but love, and quite unfitted to become the wife of Simon Stacy, who loved only himself and whatever minimus of the house, said, earnestly: "George, I do wish you and those other creditors of Mr. Granger would send him latered to his selfish gratification.

Mr. Mason looked at his bright little

loved only himself and whatever ministered to his selfish gratification.

He was a poor man—poor in pocket, plor in mental attainments, and absolutely bankrupt in his moral nature. But he had a pair of bright black eyes, an insignating manner, a smooth tongue; and with this he had made the susceptible Annie Wright believe he loved her better than anybody else ever could, and she, poor thing, believing it, married him, only to find, as the years would be not been as the plant of the property of the poor thing, believing it, married him, only to find, as the years would be not been as the poor thing, believing it, married him, only to find, as the years would be not been as the poor thing, believing it, married him, only to find, as the years would be not been as the poor thing, believing it, married him, only to find, as the years would send him betty day."

Mr. Mason looked at his bright little that bound that moment, to test her, wile, and though he never admired her wile, and that moment, to test her, wile, san's Valley, Takleyout, Plants, flow Springs, Larvan, light flow, wile is and they are dreadfully poor, and here the work of the poor than a that moment, to test her, wile, and though he never admired her wile, and that moment, to test her, and they are young here. You ask? don't you know how sick his wife is and they some here the work of the poor than at that moment, to test her, and they poor, lake poort, Grant's Pass, Rot Springs, Larvan, locked at his bright fill the poor, and both that moment, to test her, and they prove the poor than at that moment, to test her, and they prove the poor than a that moment, to test her, and they poor, and the poor than at that moment, to test her, and they poor, and the poor than at that moment, to test her, wile, and they prove the poor than a that moment, to test her, and they poor, and the poor than at that moment, to test her, and they poor, and the poor than at that moment, to test her, and they premark the poor than at that moment, to test her, and they prove t

could, and she, poor thing, believing it, married him, only in find, as the years went by, how worfully she had been mistaken.

Instead of her society, he chose that of bar-room loungers and gamblers, and instead of praviding for her a comfortable home, most of his earnings went for rum, tobacco, and "Black Crook" entertainments.

Blanning her, instead of these habits contracted long before he knew her),

contracted long before he knew her), "You good old George, I'll do without my his poverty and debts, saying to a new dress this winter, and give up that himself: "It's no use. Annie don't know enough to get a decent meal; wastes solbed out. more in a day than I can corn in one; she'll never be anything but a baby that wants petting all the time;" he failed to see that she had some good traits. Ah! was James), asking him to accept, as a but of only Simon had tried that smeath. stid if only Simon had tried that remedy of petting for her incapacity (for, poor little woman, she did belie her name, for, try hard as she could, it did seem as though she never got anything right', giosed.

\*\*MARION.\*\*

Aurora, Annaville, Brooks, Pairfield, Gervals, Hubbard, Jefferson, Marion, Monitor, Newellaville, Salem', Silverson, Staybor, try hard as she could, it did seem as though she never got anything right', giosed.

thought she never got anything right, who knows but in time she might have become a tolerable helpmeet?

At any rate, be had only blinself to blame, for her friends had told him before their marriage that she was no wife for a poor man; and he, with the perversity of a willial nature, had insisted on marrying her, and did, as the sequel proved, more from willfulness the handest that highl—doctor, creating the nature of the handest that night—doctor, creating the nature of the handest that night—doctor, creating the nature of their marriage has after all, it was doubtful which was the handest that night—doctor, creating the nature of their marriage has after all, it was doubtful which was the handest that night—doctor, creating the nature of the nat

sequel proved, more from willfulness the happiest that night-doctor, creditan love.

On this Monday morning of which I little Jane Mason. On this Monday morning of which I write, he arose desponding and reckless. The had slept off over the Sabbath his saturday night's debauch, and had to resume work—a thing always distasted to him. The coals were out; rout due; and his hutcher clamorous. He had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of which had a solitary dollar in his pocket—all that was left of a month's pay, the most of the pocket. The pocket was not been dependent on the pocket. The pocket was not been dependent o of which had gone to minister to his there had seemed to flow into his world-

e habits.
I'll endure this no longer." he said to bear his burdens burdens that were to himself, as he hastily dressed and by no means removed that day, nor for "Are you going without breakfast, His wife itngered helpless for two

Simon?" said the pale little wife, who years—years when his children most for a week had been nearly sleepless needed ber gare. But to him who had es om unxiety, married her for her sterling good sense "Yes," he muttered, so be banged to and trosclish heart, he found it not hard

s door.
Slonehing his hat over his eyes, dodg- tuvalid, and hearned valuable lessons by ing around the corner to escape the that couch of pain to sustain him long insulford, he duried into a uniscrable after it was varied by death. rum-hole just in time to escape his Nobly did be give himself to the care botcher, and calling for a glass of of his children. Often weary with his brandy, he gulped it down, tossed its day's work, yet how he would brighten price on the counter, and escaped by a up as they met him at the door, and, side entrance as the butcher came with their arms about his neck, how the through the front door after him. weariness seemed to take flight as bethrough the front door after him.

Hapfully taking the way to a wood on the outskirts of the city, he was soon in its densest part. Fitnging himself on the ground, he pondered a few minutes the purpose that trought him there. He shrank from death with all his eral thing, it is distressing to see a man He shrank from death with all his wicked, cowardly nature. Equally he shrank from giving aprile habits be loved and becoming an honest man. He took out a pistol with which for weeks he had terrified his poor wife into obscilience to his exactions by threatening to take his working man or a Howard, before life with it, dailled with it a moment, and placing it against his heart, fired. The report was heard by a farmer at work in his field the other side of the wood. A search was instituted, and the dead body of the miserable man found, recognized, and buried at the expense of friends, as there was not an unmort-gaged article in the house whereby

gaged article in the hopse whereby money could be raised for funeral expenses. The shock was too much for the already bruked spirit of the miseratic wife, and she was carried a manisc to linger a few months in a public hosnital, when death released her from bore up bravely under the load for oth

James Granger rose that same Mon- for his own? James Granger rose that same Mon-day morning on which the suicide took place, with an equally heavy heart, and almost as hopoless as Stacy. He had at place, with an equally heavy heart, and almost as hopeless as Stacy. He had an invalid wife and two young children. House rent due and the mouth's bills to meet, and very little to do it with. He had but his hands to provide for his hands to provide for his heavy carries and sorrows, has looked for heavy carries and sorrows. family; and until sickness overtook them, and unauged to keep out of debt with the strictest economy. No money of his went for rum or tobacco or ques-

tionable amusements.

But two mouths ago they had moved act as Agonts for the New Normawart: to lower their rent, unfortunately, into a damp locality, where the wife had Mrs. J. A. Johns. Mrs. Lottie foam contracted a rheomatic complaint that Mrs. L. E. Process rendered her almost the foam of the contracted of the complaint of the contracted of the contra contracted her almost helpless. Then there must be help hired, doctor bills met, and, at last, poor Granger found himself deeply in debt, and though his wife had a younger sister, to crawl about the bouse and just the the indispensable duties of it, yet thore was much so oppressively discouraging in the prospect this morning, and mor James was so worn out with the local and constant struggle of his local actions of the local atterity making to best it. feel utterly numble to bear it looses alone, and like a drowning man, cart about for even a straw to catch at to save himself from sinking. Poor fel-jow! With his wife disabled from a fresh attack of her complaint, experi-encing torture if she moved a finger; the younger sister tired and cross from over-work and care; the other childern clamoring for breakfast, James would have fain dropped his head upon his pillow and wept. Should be give up, grow desperate, take to bad courses and ship-

to the children, dressing them the Washington Territory.

while; then he took a cup of warm drink to his poor wife, and telling her he would send the doctor right away, horried about preparing fuel and doing all those little household duties a man can do, without any sacrifice of maniferance. igme, samable for Treats all Chronic and Special Diseases.

MIDDLE-ACED MEN.

There are many at the age of thirty to stary who are troublest with too frequent evacuation of the madelor, often accompanied by a slight smarting or burning sensition, and a weakening of the system in a manner the patient cannot account for, On examining the urinary deposits, a ropy sediment will often be found, and sometimes small particles of altometrical soft of the sensitive sensitive will appear, or the color will be of a thin milkish hus, again clanging to a dark and torped appearance. There are many-men who die of this difficulty ignorant of the cause which is the second stage of seminal weakness. It is a surface of the sensitive of the colors of the sensitive of the colors of the sensitive of the sensi
